Disclaimer: I do not own Percy Jackson or anything else you recognise in these pages. Because if I did they'd be looking for you don't say I didn't warn you. ;)

Chapter 1 - My Annabeth

WARNING: Character Death!

Percy's POV.

It's been two years since the second titan war has ended, and only a year since I lost her.

Her, my Annabeth. Gone, just because I wasn't paying attention. I remember that day like the back of my hand...

... I brought Annabeth out to the sea, for a date. Clareise gave me the idea for a underwater date. We had so much fun. I kissed her on her lips underwater she tried to swim away. I thought she was just shy. But in reality her lungs were burning for air. I was too naive to realize this, so I tackled her to the ocean floor. There I gave her a kiss. Little to know it was her last.

Then her body went rigid as she opened her mouth like she was screaming for air. Then and only then I realized she was dying. But I realized too late. She grew limp in my arms as I rushed to

shore. I bring her to the surface. I submitted CPR but it was too late. I was too late. She was gone.

Then Clearises came running up to me all I could do is shake my head and yell to the gods to bring her back. I yelled to them even though I knew they could not.

I am telling you this story today because today is the anniversary of her death, but it is also her birthday. Long Live Annabeth Chase! Long Live The Daughter Of Atheneia. Long Live And Goodbye!

~The End~

Ok I know very sad sorry for that. I'll try to make the next one more happier.

Please Read And Reviews Make Me Happy! Thanks Love 1

### Chapter 2

When ever Percy and Jason got lonely they would head down to the ocean. Jason would set himself on fire, and percy would make it rain and they'd sing to the top of their lungs...

... "I set fire to the rain! And watch as it touches my face!"

As loud as possible, then they would fall down laughing.

~The End~
